

# Terms and Conditions for ZF [pro] Points Loyalty Program

---

Please read these Terms and Conditions carefully before accessing or using the ZF [pro] Points Loyalty Program app provided by ZF India. You acknowledge and agree that you are only allowed to use the Program in accordance with these Terms and Conditions.

Your participation in the Program, or any part thereof, shall be deemed to signify your intention to be bound by these Terms and Conditions.

---

## 1. Program Overview

The ZF [pro] Points Loyalty Program (hereinafter referred to as the "Program") is a digital loyalty initiative designed to reward mechanics and workshop-level influencers in India who actively promote and install ZF products. The Program enables you to earn loyalty points through eligible product purchases and redeem them for cash or catalogue gifts.

ZF India reserves the right to withdraw, suspend, or cancel the whole or any part of this Program without prior notice.

**Participation Disclaimer:** Participation in the Program does not create any vested right in favour of the Member. The Program and any benefits thereunder are promotional in nature and subject to these Terms. ZF retains sole discretion to determine eligibility, accrual, valuation, and redemption of Loyalty Points. Nothing herein shall be construed as creating an assured or guaranteed benefit.

---

## 2. Program Eligibility

### Who Can Participate

This Program is open to all of the following individuals with valid Indian resident proof:

- Individual Mechanics actively engaged in vehicle repair and maintenance
- Workshop Owners and their employees
- Electricians and electrical professionals using ZF electrical products

- Authorized Channel Partners, Dealers, and Retailers (future expansion)
- Other ZF product installers and influencers as designated by ZF

## **Requirements for Participation**

To participate in the Program, you must:

1. Be 18 years of age or older
  2. Be a valid Indian resident
  3. Possess valid government-issued identification (PAN Card or Aadhaar Card)
  4. Complete self-registration via the mobile app OR be enrolled by ZF sales representatives
  5. Complete KYC (Know Your Customer) verification as mandated under Section 194R of the Income Tax Act
  6. Provide valid bank account details or UPI ID for redemption purposes
  7. Accept and comply with these Terms and Conditions and the Privacy Policy
- 

## **3. How the Program Works**

### **Registration Process**

#### **Option A: Self-Registration via Mobile App**

- Download the ZF [pro] Points app from Google Play Store
- Enter your 10-digit mobile number
- Complete OTP verification
- Fill in profile details (name, city, state, workshop affiliation)
- Upload KYC documents (PAN or Aadhaar)
- Provide bank/UPI details
- Submit for admin verification
- Receive SMS confirmation upon approval

#### **Option B: Sales-Assisted Enrollment via Web Admin Panel**

- ZF sales representatives identify eligible mechanics during field visits
- Sales team enters mechanic details into the web admin portal
- Sales team uploads KYC documents on your behalf
- Bank/UPI details are collected and entered
- Profile is submitted for backend verification and approval
- You receive SMS confirmation upon registration completion

### **Account Activation**

Your account becomes active upon:

1. Successful KYC verification by ZF backend team
  2. Admin approval of your registration
  3. Receipt of welcome SMS with login credentials
- 

## 4. ZF [pro] Loyalty Points

### What Are Loyalty Points

ZF [pro] Loyalty Points are digital credits accumulated based on your purchases and activities as a mechanic or workshop influencer using ZF products. They represent non-monetary incentives that can be redeemed exclusively within the Program framework.

### Point Accrual

You may accumulate ZF [pro] Loyalty Points in the following manner:

#### Primary Method: QR Code Scanning

- Scan QR codes affixed on eligible ZF product packaging
- Points are instantly credited to your account (shadow points) upon successful scan
- Shadow points convert to active points within 24 hours after backend validation
- Only valid, un-duplicated QR scans are credited

#### Secondary Method: Manual Code Entry

- Contact our helpdesk and report the 16-digit unique code from product packaging
- Our team processes the code and credits points to your account
- Available for mechanics unable to scan QR codes

#### Promotional Methods

- Participation in engagement campaigns
- Referral of new mechanics to the Program
- Bonus booster campaigns announced periodically

### Point Valuation

- Each SKU has a fixed-point conversion value determined by ZF (e.g., 1 point per ₹X value)
- Bonus points may apply during tactical campaigns as announced
- Point values are subject to change without prior notice

- ZF retains sole discretion over point conversion rates and values

## Important Point Terms

1. **Non-Negotiable Instrument:** ZF [pro] Loyalty Points are NOT a negotiable instrument. You have no claims or actionable rights against ZF, its affiliates, subsidiaries, directors, officers, or employees regarding the valuation, redemption, or liquidation of points.
  2. **Promotional Nature:** Loyalty Points are promotional incentives and do NOT constitute money, property, or consideration for any contractual relationship. The accrual and redemption of points are subject to these Terms and ZF's internal policies, as amended from time to time.
  3. **Non-Transferable:** Points cannot be assigned, traded, transferred to another registered mechanic, or used for any purpose other than redemption as specified in this Program.
  4. **Shadow Points:** Points initially credited as "shadow points" are non-redeemable pending KYC verification and backend validation. Conversion to active points typically occurs within 24 hours.
- 

## 5. Welcome Bonus

### Bonus Terms

1. **One-Time Offer:** All newly enrolled mechanics receive a one-time Welcome Bonus of **100 points** upon successful KYC completion via the mobile app.
  2. **Bonus Credit:** The Welcome Bonus is credited as shadow points immediately upon registration completion.
  3. **Redemption Eligibility:** Bonus points can be redeemed only after your first valid QR scan of an eligible product.
  4. **One Per Member:** Each mechanic is eligible for only one Welcome Bonus. Duplicate enrollments or fraudulent registrations will result in forfeiture.
  5. **Notification:** You will be notified via SMS when the Welcome Bonus is credited to your account.
- 

## 6. Earning Points – Terms and Conditions

### QR Code Scanning Eligibility

1. **Authorized Participants Only:** QR code scanning is permitted only for eligible registered mechanics, workshop owners, electricians, and authorized channel partners as defined in Section 2 above.
2. **Eligible Products:** Points are awarded only for scanning QR codes on ZF-designated eligible products. Not all ZF products are eligible. Contact our helpdesk for the complete list of eligible SKUs and product categories.
3. **Proper Usage:** You agree not to:
  - Scan QR codes in an abusive, offensive, or fraudulent manner
  - Attempt to scan the same QR code multiple times
  - Share, misuse, or duplicate QR codes
  - Scan codes for products you did not purchase or install
  - Use the Program for any illegal, immoral, or fraudulent purpose
4. **Fraud Prevention:** ZF employs automated systems to detect and prevent fraud, including:
  - Duplicate QR scan detection
  - Anomalous scan pattern monitoring
  - Clustered redemption alerts
  - Multiple account flagging using device identifiers and UPI/bank details

## Consequences of Violation

Any violation of the terms in Section 6.3 above may result in:

- Immediate forfeiture of all ZF [pro] Loyalty Points in your account
- Permanent suspension of your account without compensation
- Blacklisting from future program participation
- Possible legal action for fraud or misrepresentation

---

## 7. Welcome Bonus Redemption

1. Welcome bonus points can be redeemed only **after your first valid QR scan** of an eligible ZF product.
  2. You cannot redeem bonus points while your KYC is pending approval.
  3. Bonus points follow standard redemption rules and expiration policies like earned points.
-

## 8. Program Contact Center

Members can contact the ZF [pro] Points Program Helpdesk at:

**Toll-Free Number:** [Insert Number] **Email:** support@zfpro.in **Working Hours:** Monday - Saturday, 9:30 AM - 5:30 PM IST **In-App Support:** Raise queries through the mobile app support ticketing system

### Grievance Redressal

For any concerns or complaints relating to the Program or processing of personal data:

**Email:** grievance@zfpro.in **Grievance Officer:** [Insert Name, Designation]

The Company shall acknowledge grievances within 48 hours and endeavor to resolve them within 30 days.

---

## 9. Point Validity and Expiration

### Validity Period

1. Your earned ZF [pro] Loyalty Points are valid for **1 year from the date of scanning** the QR code or earning the points through other eligible activities.
2. Points expiring within 30 days will trigger a notification in the app and via SMS reminder.
3. Expired points cannot be redeemed and are automatically forfeited from your account.

### Discontinuation of Business

If you discontinue your business relationship with ZF or cease to be an eligible participant:

- You must redeem accumulated points within **15 working days** of dis-association
  - Unredeemed points after this period will be forfeited
  - ZF will notify you via SMS of the redemption deadline
- 

## 10. Program Redemption

## Redemption Eligibility

1. **Minimum Threshold:** You must have a minimum of 100 points (or as specified by ZF) to initiate a redemption request.
2. **KYC Requirement:** You cannot redeem any points until your KYC is fully approved and verified by ZF backend.
3. **Active Account Status:** Your account must be in good standing with no fraud flags, duplicate entries, or policy violations.

## Redemption Options

### Option 1: Cash Redemption (PUSH Model)

1. **Initiation:** Open the app, select "Cash Redeem," enter OTP for verification
2. **Point Conversion:** Points are converted to INR at the fixed rate specified in the Program (e.g., 1 point = ₹X)
3. **Payment Method:** Amount is transferred to your registered:
  - Bank account (via NEFT/IMPS), OR
  - UPI ID of your choice
4. **Processing Time:** Disbursal within 24-48 business hours post approval
5. **Frequency:** Cash redemptions can be processed multiple times, subject to redemption minimums and frequency limits

### Option 2: Catalogue Redemption (PULL Model)

1. **Catalogue Access:** Browse the curated gift catalogue available in the app featuring:
  - Tools and equipment
  - Electronics and gadgets
  - Vouchers and gift cards
  - Other items as periodically updated
2. **Item Selection:** Select your desired gift and confirm delivery address
3. **Order Processing:** Your order is processed and prepared for shipment
4. **Dispatch:** Product is dispatched by our logistics partner within 5-7 working days
5. **Delivery:** Item arrives at your address; voice call confirmation collected as Proof of Delivery (POD)
6. **Typical Timeline:** Generally 3-4 weeks from redemption request to final delivery

## Redemption Limitations

1. **Catalogue Availability:** All products shown in the catalogue are indicative and representative only. Actual availability is subject to inventory at the time of redemption

request.

2. **Point Values Subject to Change:** The Loyalty Points required for specific catalogue items are subject to change without prior notice.
  3. **Product Non-Availability:** ZF takes no responsibility for change or non-availability of products at the time of actual redemption. Alternative items of similar value will be offered.
  4. **Frequency Limits:** Redemption frequency and daily/monthly limits may apply as specified in the app or communicated via SMS.
  5. **No Point Transfers:** You cannot transfer redeemed items or convert catalogue gifts back to cash or points.
- 

## 11. Redemption – Important Terms of Engagement

The following overriding terms govern catalogue and cash redemptions:

1. **Product Representation:** All products shown in the catalogue are indicative and for representative purposes only. Actual specifications, colors, models, and availability may vary.
2. **Loyalty Points Against Rewards:** The Loyalty Points mentioned against rewards are subject to change without prior notice by ZF.
3. **Product Value:** The monetary value of products mentioned is indicative and is subject to change without prior notice.
4. **Availability Confirmation:** Redemptions are subject to product availability at the time of generation of the redemption request. Out-of-stock items may result in alternative offerings.
5. **Responsibility Disclaimer:** ZF takes no responsibility for change or non-availability of products at the time of actual redemption or delivery.
6. **Superseding Terms:** These redemption terms override the general Program terms and conditions in case of any conflict.
7. **Defective Products:** If a redeemed product arrives damaged or faulty:

- You must report within **24 hours** of receipt
  - Provide photos and order details
  - Our logistics team will arrange replacement or refund of points
  - Processing timeline: 5-7 working days
- 

## 12. Referral Program

### How It Works

1. **Unique Referral Code:** Each registered mechanic receives a unique, non-transferable referral code upon enrollment.
2. **Sharing:** You can share your referral code with fellow mechanics via:
  - SMS or direct messaging
  - Copying the code from the app
  - Verbal communication
  - WhatsApp or other communication channels
3. **New Member Registration:** When a new mechanic enters your referral code during their registration:
  - They receive credit for being referred by you
  - Both you and the referred mechanic become eligible for referral bonuses
4. **Bonus Conditions:** Referral bonus is credited only when the referred mechanic (referee):
  - Completes KYC verification
  - Performs their first valid QR scan of an eligible ZF product
  - Once both conditions are met, the referral bonus is instantly credited to both accounts
5. **Bonus Notification:** You will receive an SMS notification confirming successful referral conversion and bonus credit.

### Referral Restrictions

1. **Daily and Monthly Caps:** Daily and monthly referral caps are implemented to prevent abuse and gaming. Limits are displayed in the app.
2. **Fraud Detection:** Our system automatically flags suspicious referral patterns including:
  - Multiple referrals from same person creating numerous duplicate accounts

- Referral chains using the same UPI ID or bank account
  - Identical device information across multiple accounts
  - Impossible referral velocity patterns
3. **Blacklisting:** Users engaged in fraudulent referral activities will be:
- Permanently blacklisted from the Program
  - Forfeiture of all earned and bonus points
  - Possible legal action for fraud
4. **One Referral Code Per Member:** You can only have one active referral code. Creating duplicate codes will result in account suspension.
- 

## 13. Dealing with ZF [pro] Loyalty Points at Program End

### Program Discontinuation

1. If ZF decides to discontinue the Program at any time:
    - You will be notified in advance via SMS and app notification
    - A redemption period will be stipulated (minimum 30 days notice)
    - You will be asked to redeem remaining points within the specified timeframe
  2. **Point Forfeiture:** Any points not redeemed by the deadline will be automatically forfeited with no compensation.
  3. **Pro-Rata Credits:** In case of early discontinuation, ZF may offer pro-rata cash credits for unredeemed points at its sole discretion.
- 

## 14. Program Modifications and Changes

### ZF's Right to Modify

ZF reserves the right to change, modify, alter, delete, or replace any aspect of the Program at any time, including:

1. **Point Earning:** Prescribe scheme and promotional offers wherein the chances of earning ZF [pro] Loyalty Points may be increased or decreased for particular periods.

2. **Redemption Catalogue:** Change, replace, or discontinue the gifts available for ZF [pro] Loyalty Points redemption.
3. **Point Values:** Modify the point conversion rates, point multipliers, or eligibility criteria.
4. **Program Rules:** Alter registration requirements, eligibility criteria, or redemption procedures.
5. **Partner Network:** Add, remove, or modify third-party service providers, logistics partners, and gift suppliers.

## Notice of Changes

1. Material changes to the Program will be communicated to you via:
    - In-app notifications
    - SMS alerts
    - Email updates
    - Website announcements
  2. Your continued participation after notification of changes constitutes acceptance of the updated terms.
- 

# 15. Important Terms and Conditions

## Program Availability

1. The Program is available to you only because you are an eligible mechanic, workshop owner, or influencer actively purchasing or promoting ZF products.
2. If at any point during the Program, you:
  - Cease to have a valid relationship with ZF or its authorized channel partners
  - No longer actively engage with ZF products
  - Violate Program terms or engage in fraud
  - Fail to maintain eligibility criteria
  - ...you shall not be eligible to continue participation.

## Modifications to Terms

1. These Terms and Conditions may be modified, altered, deleted, or replaced by ZF from time to time or the Program may be terminated at any time.
2. Continued use of the Program constitutes acceptance of modified terms.

## Disclaimer of Warranties

You expressly agree that participation in the Program is at your sole risk. ZF, its affiliates, subsidiaries, directors, officers, employees, and agents disclaim all warranties, express or implied, including without limitation any warranty of:

- Merchantability
- Availability
- Fitness for a particular purpose
- Non-infringement
- Uninterrupted service or data accuracy

## Limitation of Liability

ZF assumes no liability or responsibility for:

1. **Errors and Omissions:** Errors, omissions, inaccuracies, or incomplete information in the Program or any Program-related communications
2. **Personal Injury:** Personal injury or property damage of any nature resulting from your access to and/or participation in the Program
3. **Unauthorized Access:** Any unauthorized access to or use of ZF's secure servers and/or any personal information, financial information, or KYC documents contained therein
4. **Data Loss:** Any deletion of data, interruption, or discontinuance of transmission to, from, or through the Program
5. **Third-Party Services:** ZF makes no representation or warranty regarding third-party goods and services made available through the Program. You are advised to take prudent measures while relying on such goods or services.

## Limitation Cap

In no event shall ZF be liable to you or any third party for any direct, indirect, consequential, exemplary, incidental, special, or punitive damages, including damages arising from:

- Your participation in the Program
- Use or access of the Program services
- Any content or illegal conduct of third parties

This limitation applies to the fullest extent permitted by law.

## **Indemnification**

You agree to defend, indemnify, and hold harmless ZF and its officers, directors, employees, and agents from and against any and all claims, damages, obligations, losses, liabilities, costs, debts, and expenses (including but not limited to attorney's fees) arising from:

1. Your use of or participation in the Program
2. Your violation of any terms of these Terms and Conditions
3. Your violation of any applicable laws or third-party rights
4. Any fraudulent or deceptive conduct on your part

This indemnification obligation will survive the termination of these Terms and Conditions.

---

## **16. Redemption Holds and Disputes**

### **Outstanding Dues**

ZF may hold or cancel redemptions in case of:

- Any outstanding dues over the permissible credit policy against your purchases of ZF goods
- Pending disputes regarding point allocation or fraudulent activity
- Non-compliance with Program terms

You will be notified via SMS and given an opportunity to settle outstanding dues before redemption can be processed.

---

## **17. Severability**

Any provision of these Terms and Conditions that is declared invalid, unenforceable, or illegal by a court of competent jurisdiction shall be indicative to the extent of such invalidity or unenforceability without invalidating or rendering unenforceable the remaining provisions hereof.

---

## 18. Communications and Recording Consent

### Call and Communication Recording

By participating in the Program, you expressly consent to receive communications from ZF and its authorized service providers via:

- Phone calls
- SMS messages
- WhatsApp messages
- Email
- In-app notifications

for purposes related to:

- Program administration and verification
- Promotional campaigns and offers
- Service support and issue resolution
- Welcome calls and follow-ups
- Transactional updates

**Call Recording:** You expressly consent to the recording of all phone calls between you and ZF or its service providers for purposes of quality assurance, compliance, training, and record-keeping. Call recordings are the exclusive property of ZF.

---

## 19. Interpretation and Governing Law

### Jurisdiction

Any dispute arising from the conduct or execution of this Program or any dispute regarding the interpretation or enforcement of these Terms and Conditions shall be subject to the exclusive jurisdiction of the courts situated in **Bengaluru, India** and shall be governed by **Indian Law**.

### Defined Terms

For clarity, the following terms in this document have the following meanings:

- **"Program"** means the ZF [pro] Points Loyalty Program in its entirety
- **"Mechanic"** means an individual registered to participate in the Program
- **"You" / "Your"** means a registered member who has been enrolled in the Program by ZF
- **"ZF" / "We" / "Us"** means ZF India and its authorized representatives

- **"Eligible Product"** means ZF-designated products with QR codes on approved lists
  - **"Shadow Points"** means non-redeemable points pending backend verification
  - **"Active Points"** means verified, redeemable loyalty points credited to your account
  - **"KYC"** means Know Your Customer verification as mandated by law
- 

## 20. Acknowledgment and Acceptance

### Your Agreement

By registering for the Program through the mobile app or by accepting enrollment through our sales representatives, you acknowledge and agree that:

1. You have read, understood, and agree to be bound by these Terms and Conditions
2. You have read and understand the Privacy Policy and consent to data processing as described
3. You are at least 18 years of age
4. All information provided by you during registration is accurate, complete, and truthful
5. You have the authority to enter into this agreement
6. You will comply with all applicable laws and regulations while using the Program

### Electronic Acceptance

Your acceptance of these terms is conclusively evidenced by:

- Clicking "I Accept" during app registration
  - Completing the registration process
  - Initiating your first QR scan
  - Any other indication of Program participation
- 

## 21. Contact Information

For questions or clarifications regarding these Terms and Conditions:

**ZF [pro] Points Program Email:** support@zfpro.in **Phone:** [Insert Toll-Free Number] **Hours:** Monday-Saturday, 9:30 AM - 5:30 PM IST

---

## 22. Effective Date and Updates

**Version: 1.0**

ZF reserves the right to update these Terms and Conditions at any time. Changes will be communicated via the app and email. Your continued participation constitutes acceptance of updated terms.

---

**By participating in the ZF [pro] Points Loyalty Program, you accept and agree to be bound by all terms, conditions, and policies outlined herein.**
